1 Before you start: what this guide covers

How the Kendra's website works for a customer, and every button you will meet on it.

1.1 Who this guide is for

This guide is for **customers** (called **User** on the site): people who want a Kundli, a consultation, Kundli matching or another service from Maharshi Kanad Jyotish Kendra. It explains the public pages, creating an account, the booking steps, payment, the bill, tracking your order, the document vault and support tickets. Each control is named exactly as it appears on screen.

- If you only want to read about the Kendra or use the free tools, you do not need an account.
- To book a service and follow its progress, create a **User** account and sign in first. Then your orders, bills and reports are kept together in **My account**.
- Everyone who works for the Kendra has a different login (Admin). Associates, who share the Kendra's link and earn commission, have their own guide.

1.2 The words used on the site

Word	What it means
Service	The main thing you want, for example Complete Janampatri, Career consultation or Kundli matching.
Package	A version of a service, for example Standard or Premium.
Plan	The exact option inside a package, with its own price, delivery time and inclusions (for example Kundli with Call).
Offer	A discount that is applied with a promo code.
Dakshina	The amount you pay for the service.
Order	Your booking. Every order has a number such as MKJK-2026-1001.
Vault	Your private store where finished Kundli files and your own uploads are kept.

> **Note:** The site is available in English and Hindi. Use the **EN** and **हिन्दी** buttons at the top right of every page at any time. Your page stays the same, only the language changes.

2 Finding your way around the site

The top bar, the menu, the floating buttons and the mobile menu.

2.1 The top bar

The dark red strip at the very top is on every page. From left to right it shows:

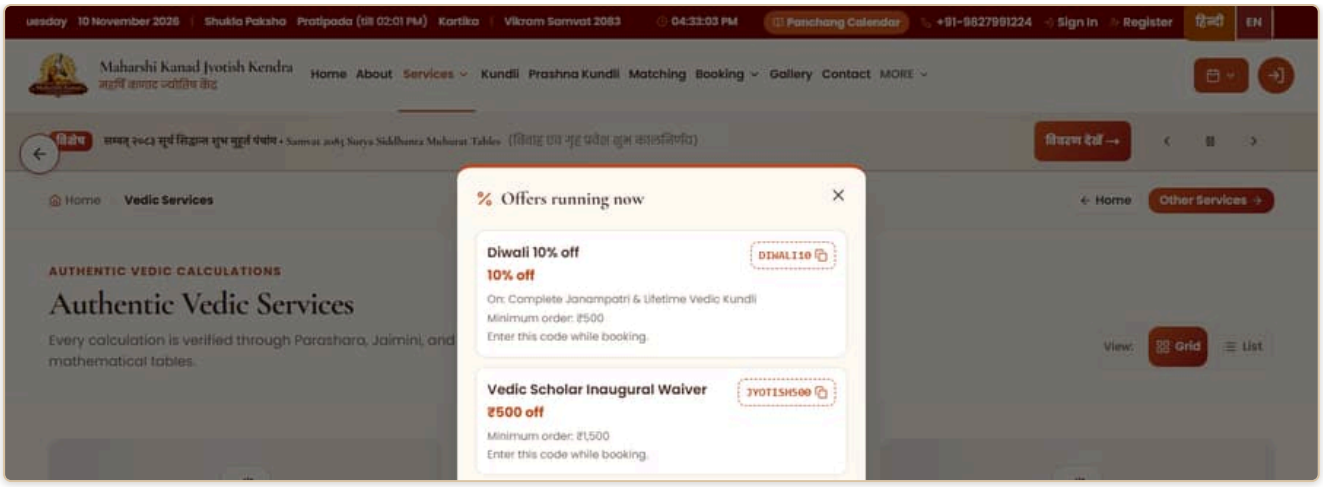

- Today's date, the paksha and tithi, the nakshatra (Kartika) and the Vikram Samvat year, and the live time.
- **Panchang Calendar** opens the daily Panchang page.
- The Kendra's phone number. Tap it on a phone to call.
- **Sign In** and **Register** when you are signed out. When you are signed in these two are replaced by **My account**.
- **हिन्दी** and **EN** switch the language of the whole site.

The top bar and the main menu when you are signed out.

2.2 The main menu

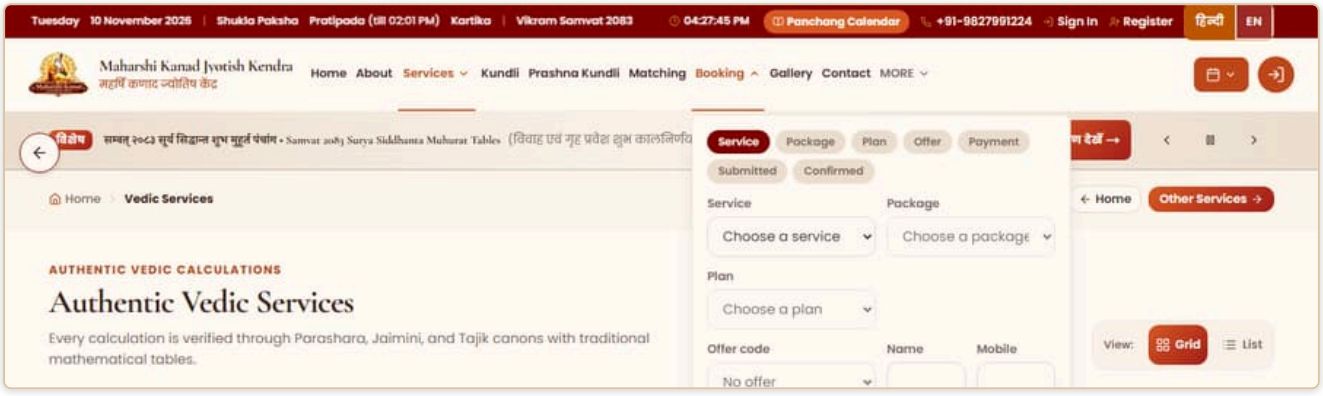

- **Home** and **About** (the Kendra, the founder and the credentials).
- **Services** opens a three-column panel: choose a **Service**, then its **Package**, then its **Plan** with the price. Click a plan to go directly to booking it.
- **Kundli** (free birth chart), **Prashna Kundli** (answer to one question) and **Matching** (Kundli matching).
- **Booking** opens a quick booking form (see 2.3).
- **Gallery** and **Contact**.
- **MORE** keeps the pages that do not fit on a small screen.
- The calendar icon (**Book Consultation**) takes you straight into booking.
- When you are signed in, the round **User Profile** button on the right opens a small card with your name, **My Account** and **Sign Out**.

The Services panel: Service, Package and Plan side by side.

2.3 The Booking quick form

The **Booking** menu is a shortcut to the same steps as the booking page. A row of small chips shows where you are (Service, Package, Plan, Offer, Payment, Submitted, Confirmed). Choose a service, a package and a plan, optionally an **Offer code**, type your **Name** and **Mobile**, choose the **Payment** way (Razorpay online, UPI / QR or Bank transfer), and press **Submit Booking**. An optional **Referral code** box is there too. The help line at the bottom gives the Kendra's e-mail address.

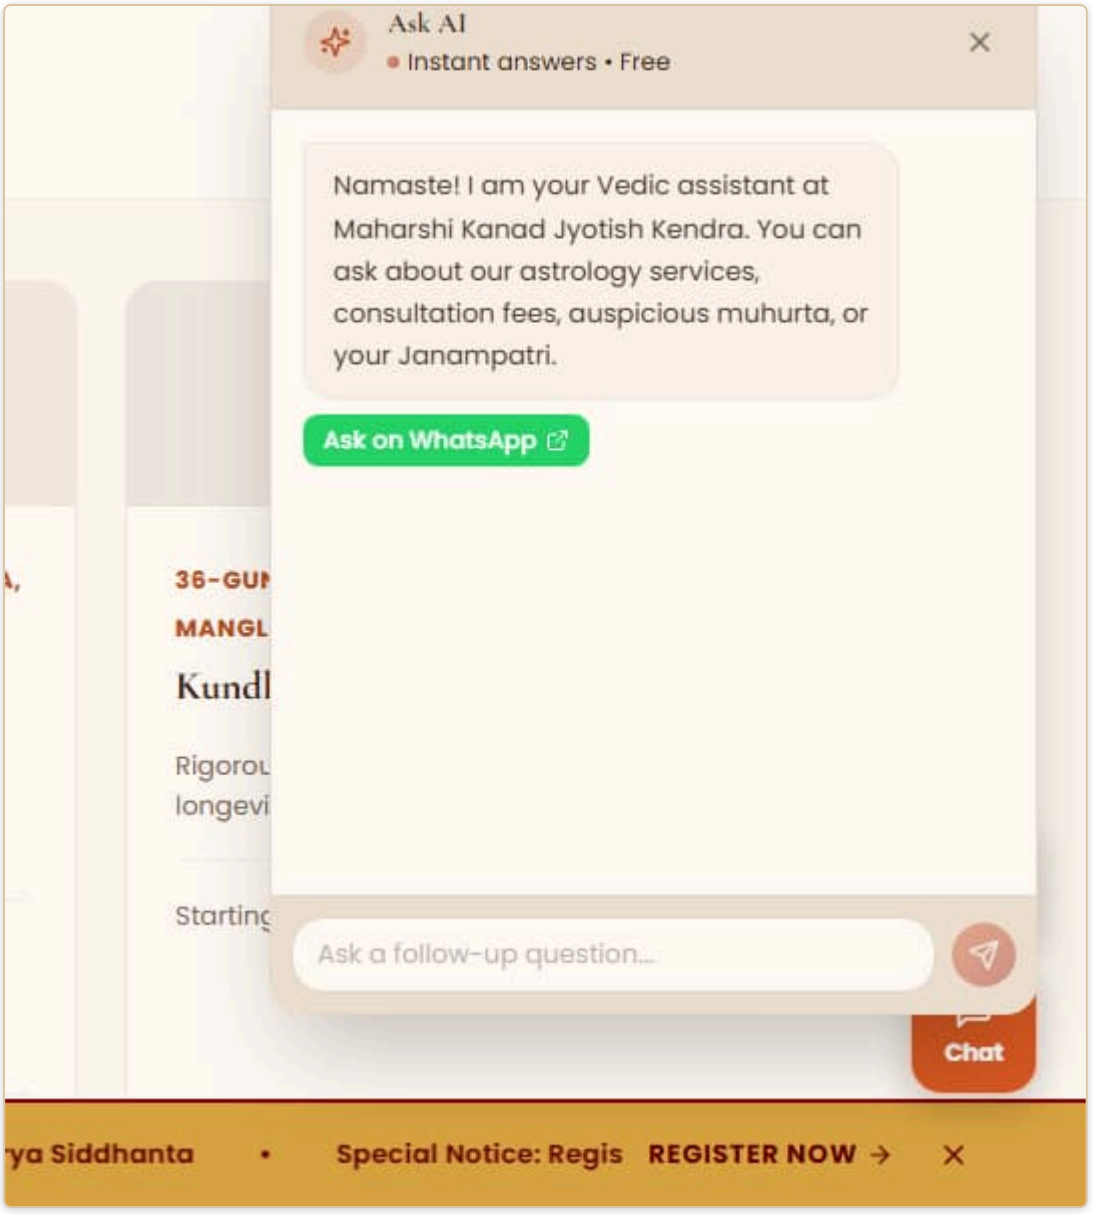

The Booking quick form.

2.4 Floating buttons on every page

- **Back** (the round arrow at the left) returns to the previous page.
- **Quick contact and assistance** (the round button at the bottom right) opens a small card with **Call**, **WhatsApp** and **Send a message**, **Ask AI** and **Ask a question**, and **Chat**.
- **Ask AI** is an automatic helper that answers questions about the Kendra's services, fees and muhurta. It is free and instant. It does not replace the astrologer.
- **Announcements** shows a notice from the Kendra (for example a special puja or a new service). Use the arrows to see the next notice, or the cross to hide it.

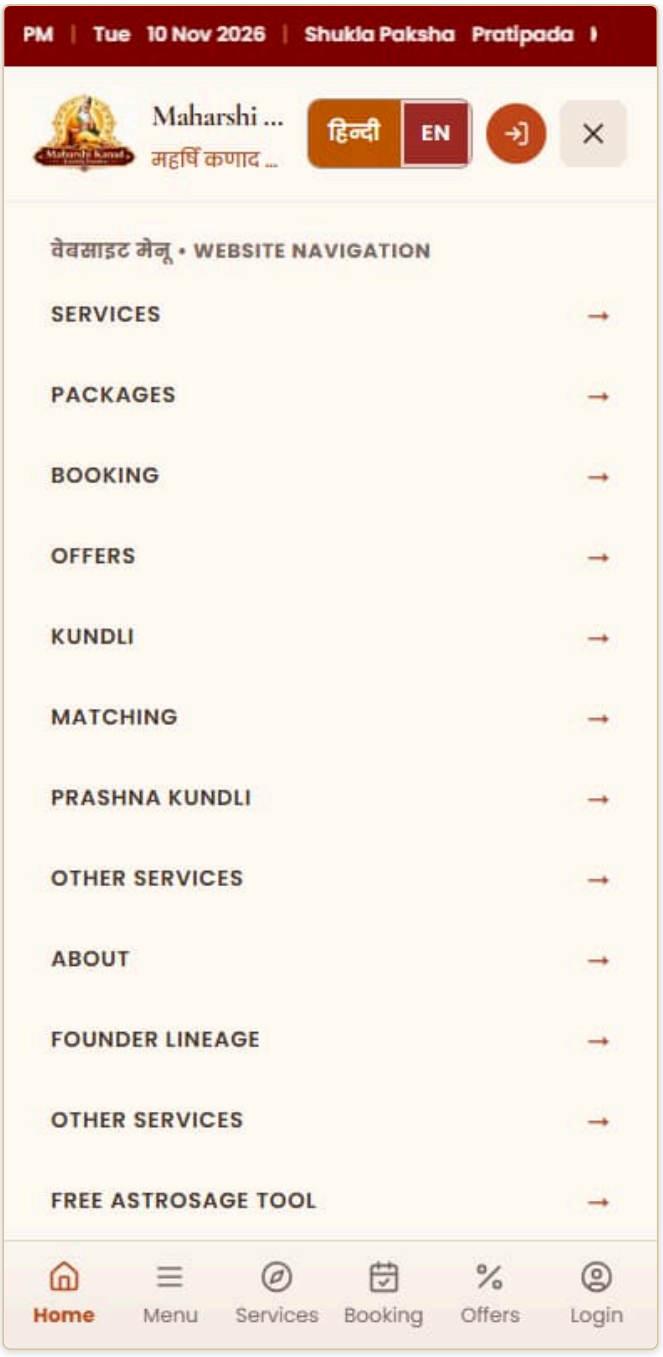

- When the site opens for the first time you may see **Offers running now**: a list of current promo codes. Press the small copy icon next to a code, **Book now** to start booking, or **Close**.

Quick contact opened, with the Ask AI helper.

2.5 On a phone

On a phone the top menu becomes a list. Press the three-line **Toggle Navigation Menu** button at the top. A bar at the bottom of the screen always shows **Home**, **Menu**, **Services**, **Booking**, **Offers** and **Login**, so the main actions are one tap away.

4 The public pages

What each page does, and the controls on it. None of these needs an account.

4.1 Services and a service page

Services lists every service as a card. The **View** switch (**Grid** or **List**) changes how the cards are shown. Open a service to see its page:

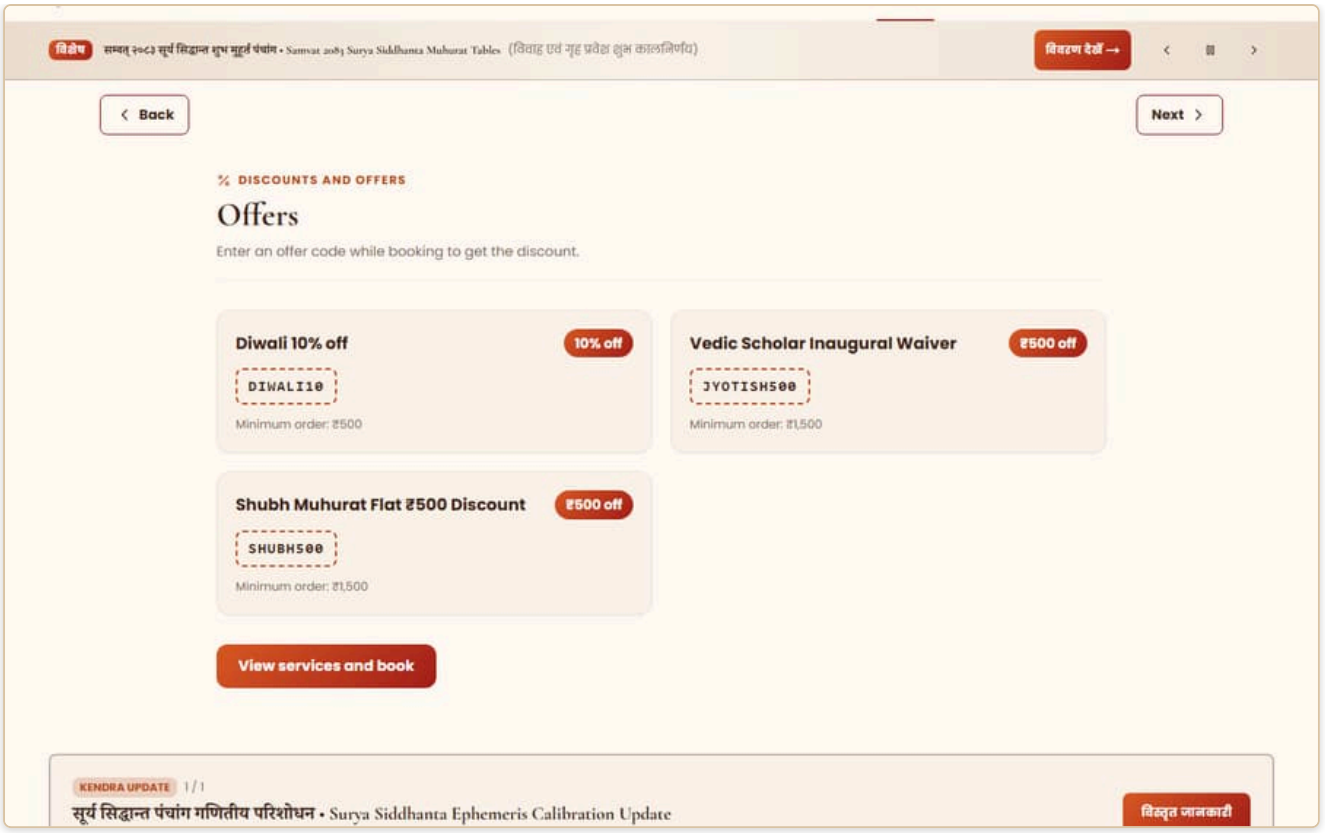

- The title, a short description and **KEY SERVICE INCLUSIONS**.
- **Select Your Preferred Consultation Format**: the packages (Standard, Premium and so on). A package may say how many seats are left.
- Plan cards with the price and what is included. **SELECTED PLAN** marks your choice. Press **View & book** on a plan to start booking it.
- **VIEW PACKAGE DETAILS**, **Comparative Analysis Across All Editions** (a table comparing the plans) and **Cancellation, refund & plan upgrade** (the policy for this service).
- **Offers on this service**: each offer shows its code. Type a code in **Promo code** and press **APPLY** to see the discount here.
- **Quick Enquiry** and **Ask About This Service** send a question to the Kendra without booking.
- **DOWNLOAD** and **PRINT** give you the service details as a document.

4.2 Offers

Offers lists every running discount with its code, the discount (for example 10% off) and the minimum order. Copy the code and type it in the **PROMO CODE** box while booking. Press **View services and book** to continue.

4.3 Free Kundli, Matching and Panchang

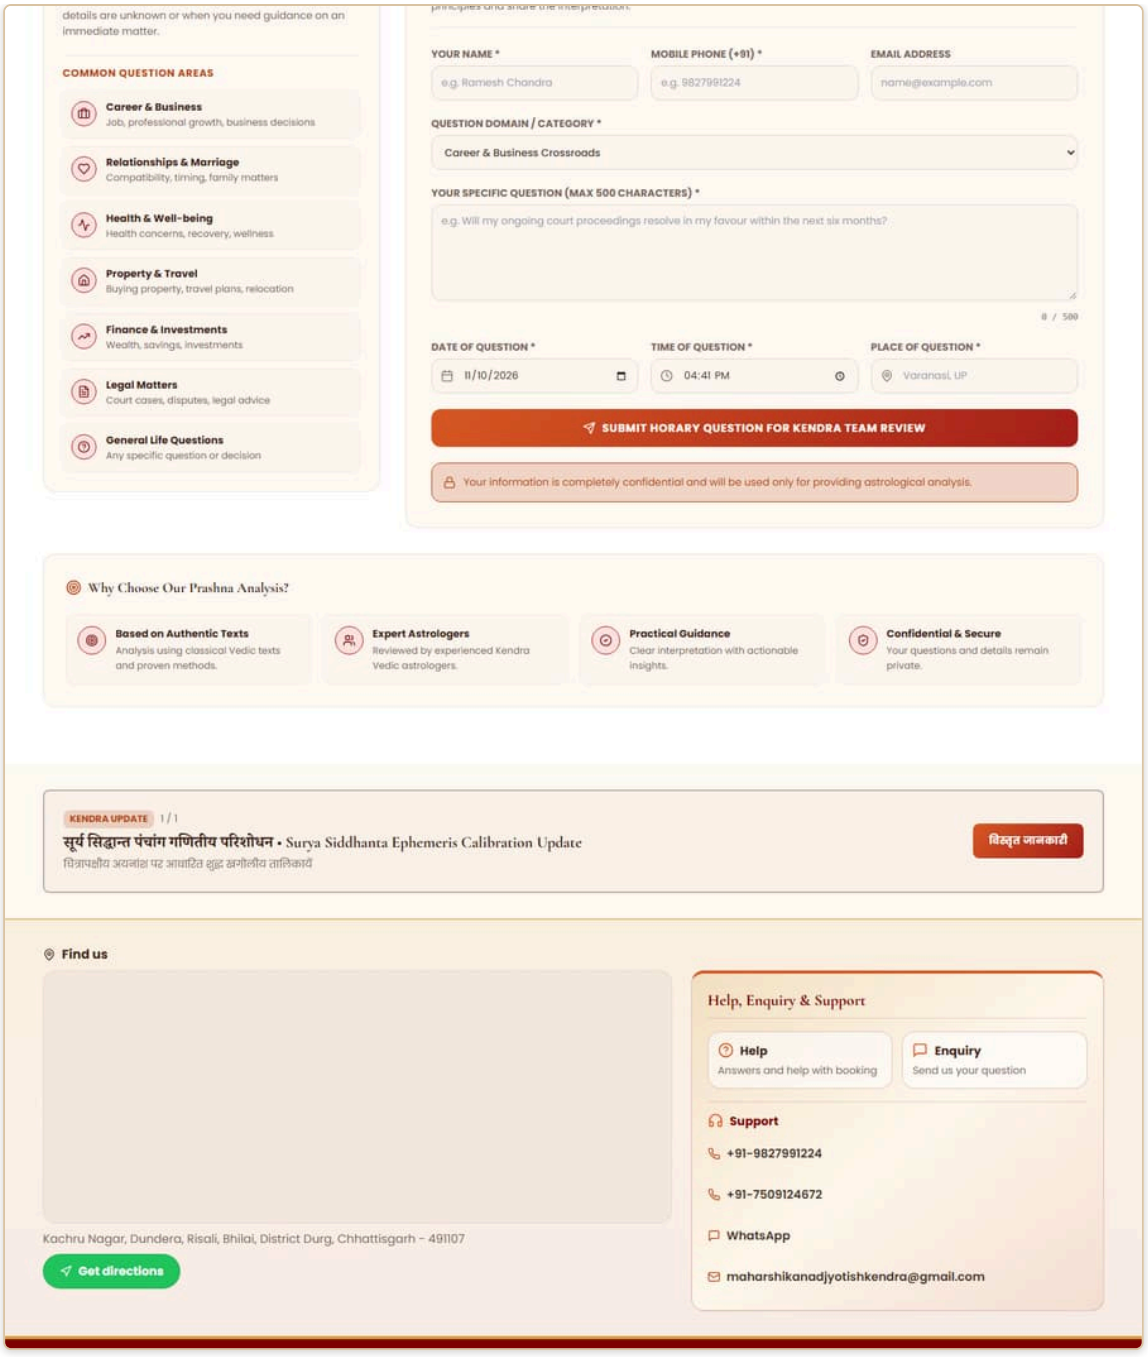

- **Kundli** creates your birth chart for free. Fill in your birth details inside the tool.

- **Panchang** shows the day's tithi, nakshatra, yoga, karana, Rahu Kaal and auspicious times.
- These three tools are provided by AstroSage and open inside the Kendra's site. Press **Open full screen** for a bigger view. The results are automatic; they are not a consultation.

The free Kundli page.

4.4 Prashna Kundli

Prashna Kundli answers one specific question using the time at which you ask it, so you do not need birth details. Fill **YOUR NAME**, **MOBILE PHONE (+91)**, **EMAIL ADDRESS**, choose the **QUESTION DOMAIN / CATEGORY**, write **YOUR SPECIFIC QUESTION** (up to 500 characters), and give the **DATE OF QUESTION**, **TIME OF QUESTION** and **PLACE OF QUESTION**. Press **SUBMIT HORARY QUESTION FOR KENDRA TEAM REVIEW**. The Kendra's team studies the chart and replies.

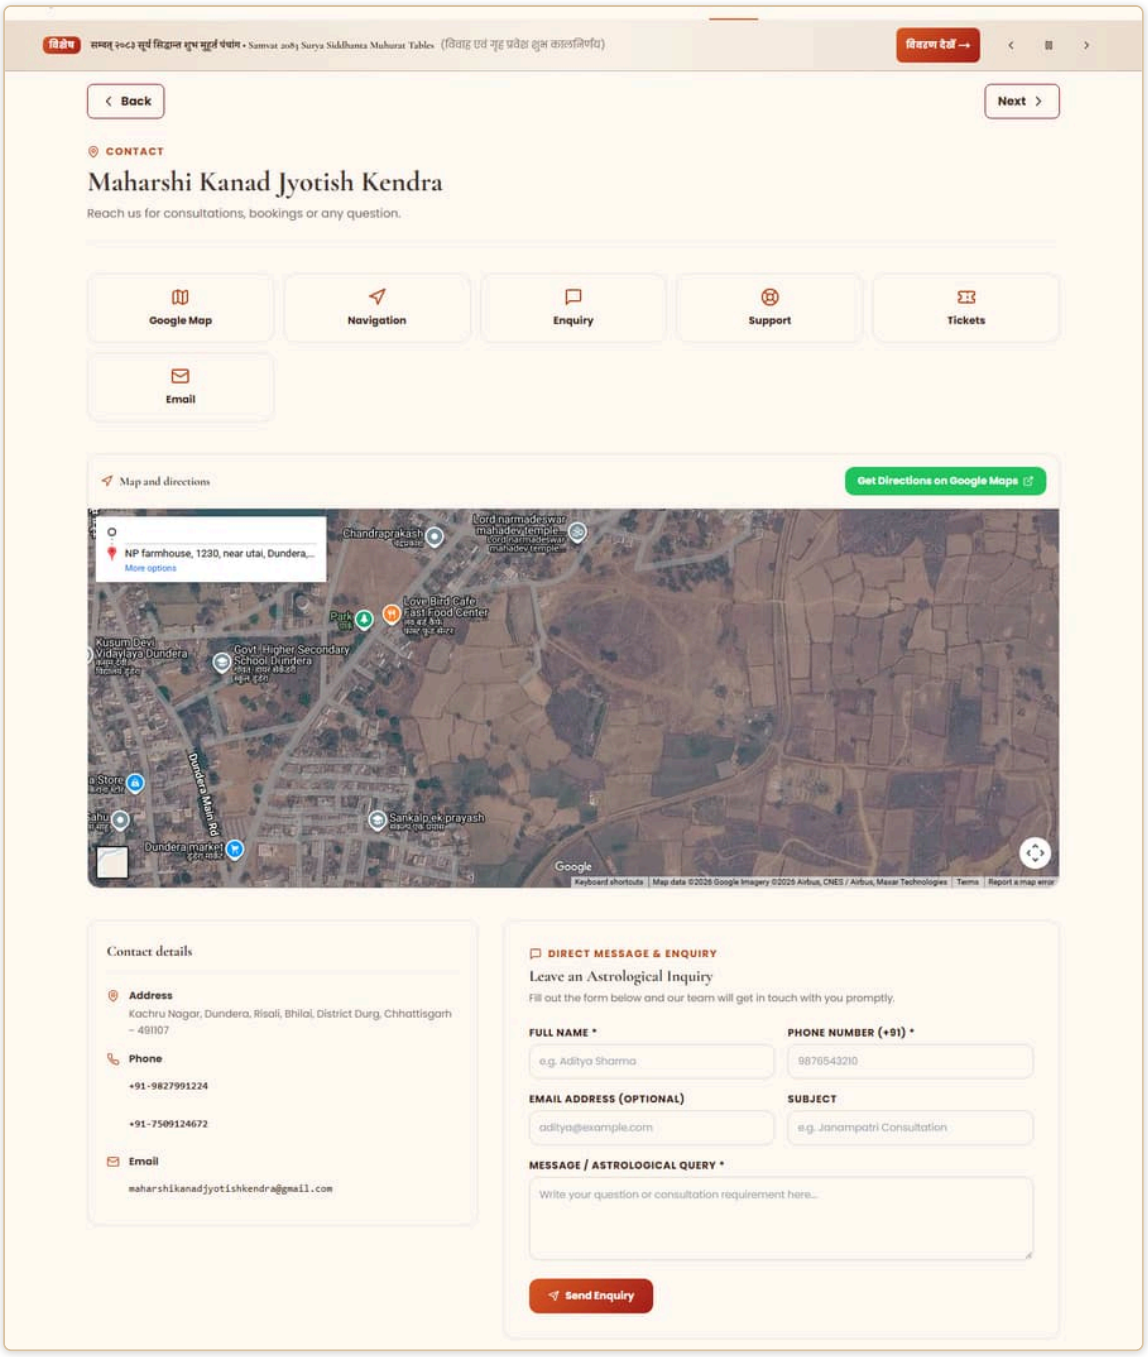

The Prashna Kundli form.

4.5 Contact, Help and FAQ

Press **Send Enquiry**. The three buttons at the top of the page are **Navigation**, **Enquiry** and **Support Tickets**.
- **Help** (Help Center & Contact Support) gives the helpline numbers and two shortcuts: **Read FAQs** and **Track Your Booking**.

- **FAQ** answers common questions. Type in **Search questions…** or choose a group: **Kundli & Janampatri**, **Puja & Anushthan**, **Dakshina & Orders** or **General**. Press a question to open its answer.

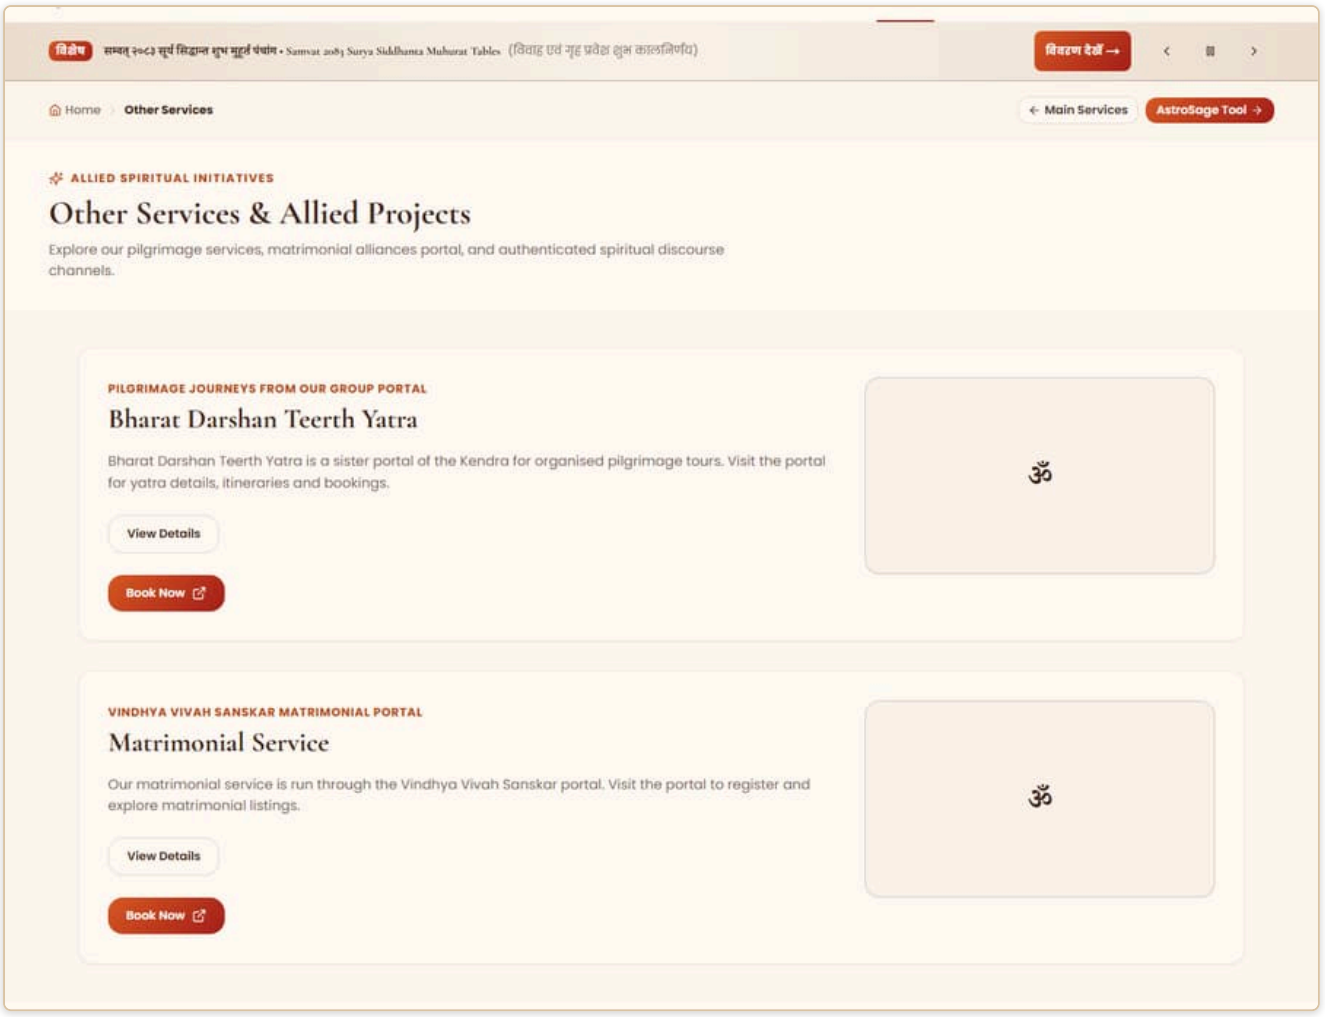

The Contact page and enquiry form.

4.6 About, Founder, Gallery, Blogs and Testimonials

About, **Founder Lineage** and **Credentials** tell you about the Kendra, its founder and its certificates. **Gallery** holds photographs, **Vedic Articles** (Blogs) are written articles, and **Testimonials** are words from customers. These pages are for reading only.

4.7 Other services

Other Services lists the Kendra's partner portals: **Bharat Darshan Teerth Yatra** (pilgrimage tours) and the **Matrimonial Service** (Vindhya Vivah Sanskar). Their buttons, such as **View Details** and **Book Now**, open the partner website, where these services are booked and paid. The site tells you this before you leave.

Other Services.

5 Booking a service, step by step

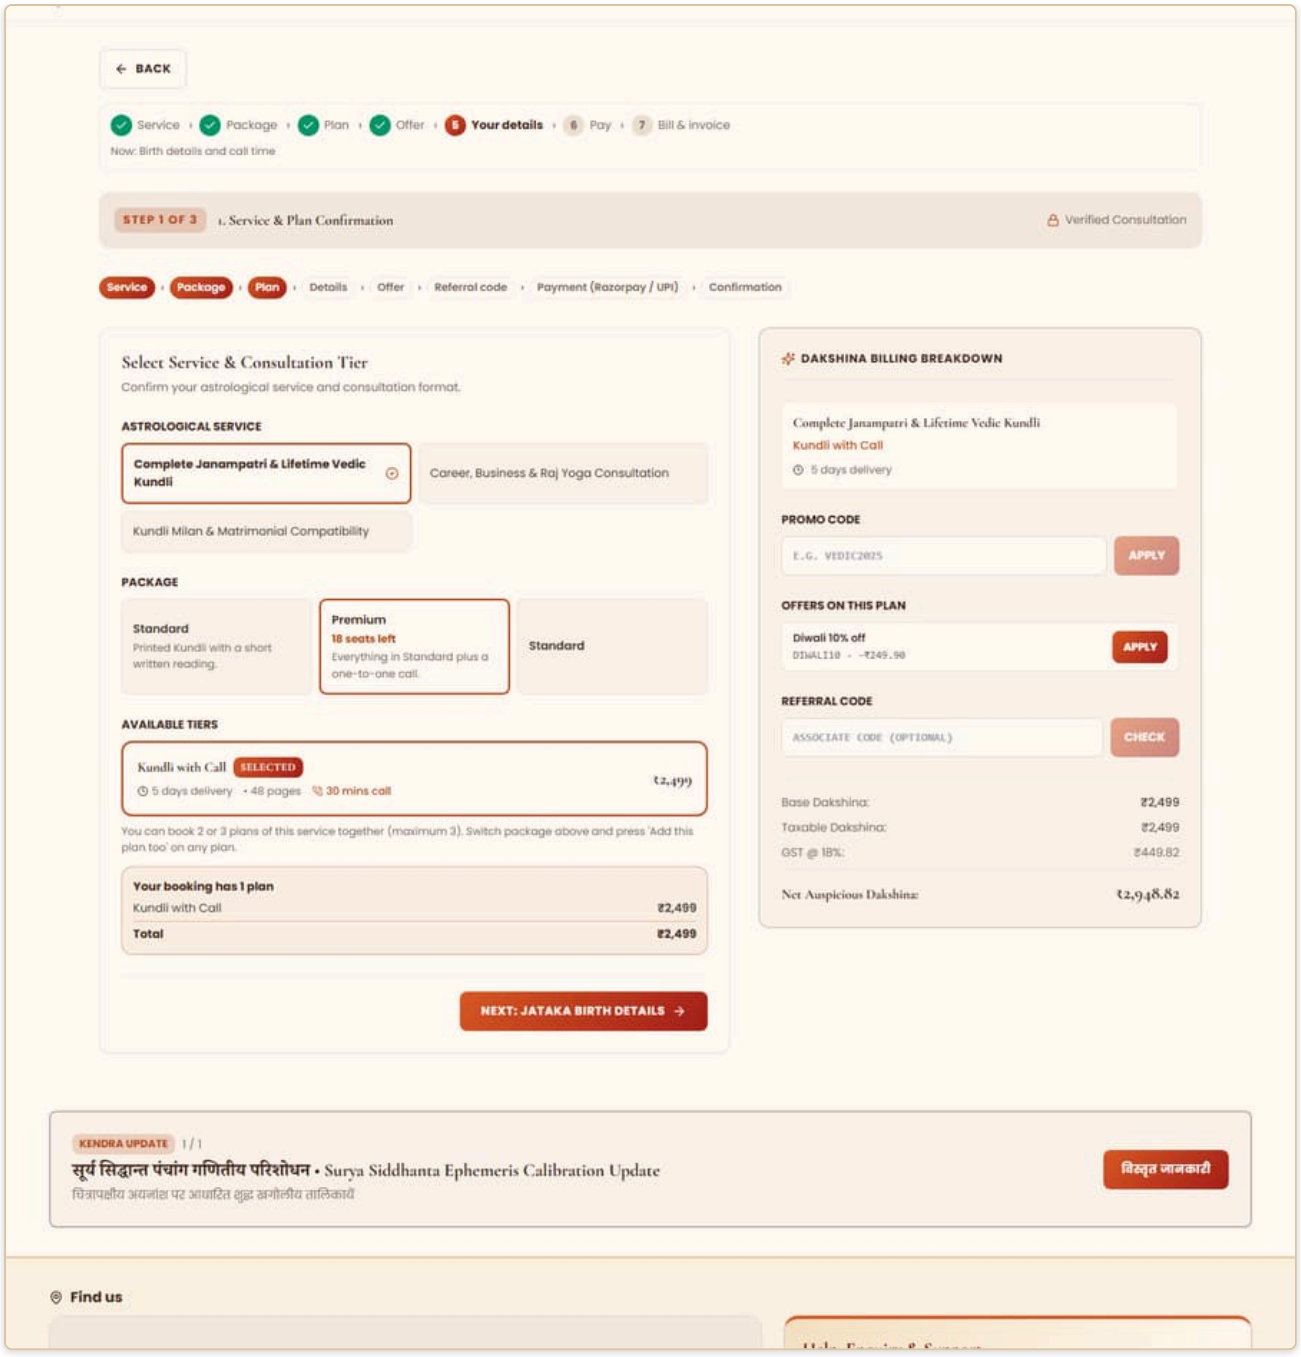

From choosing the service to paying. The progress strip at the top of the page shows where you are.

5.1 The progress strip

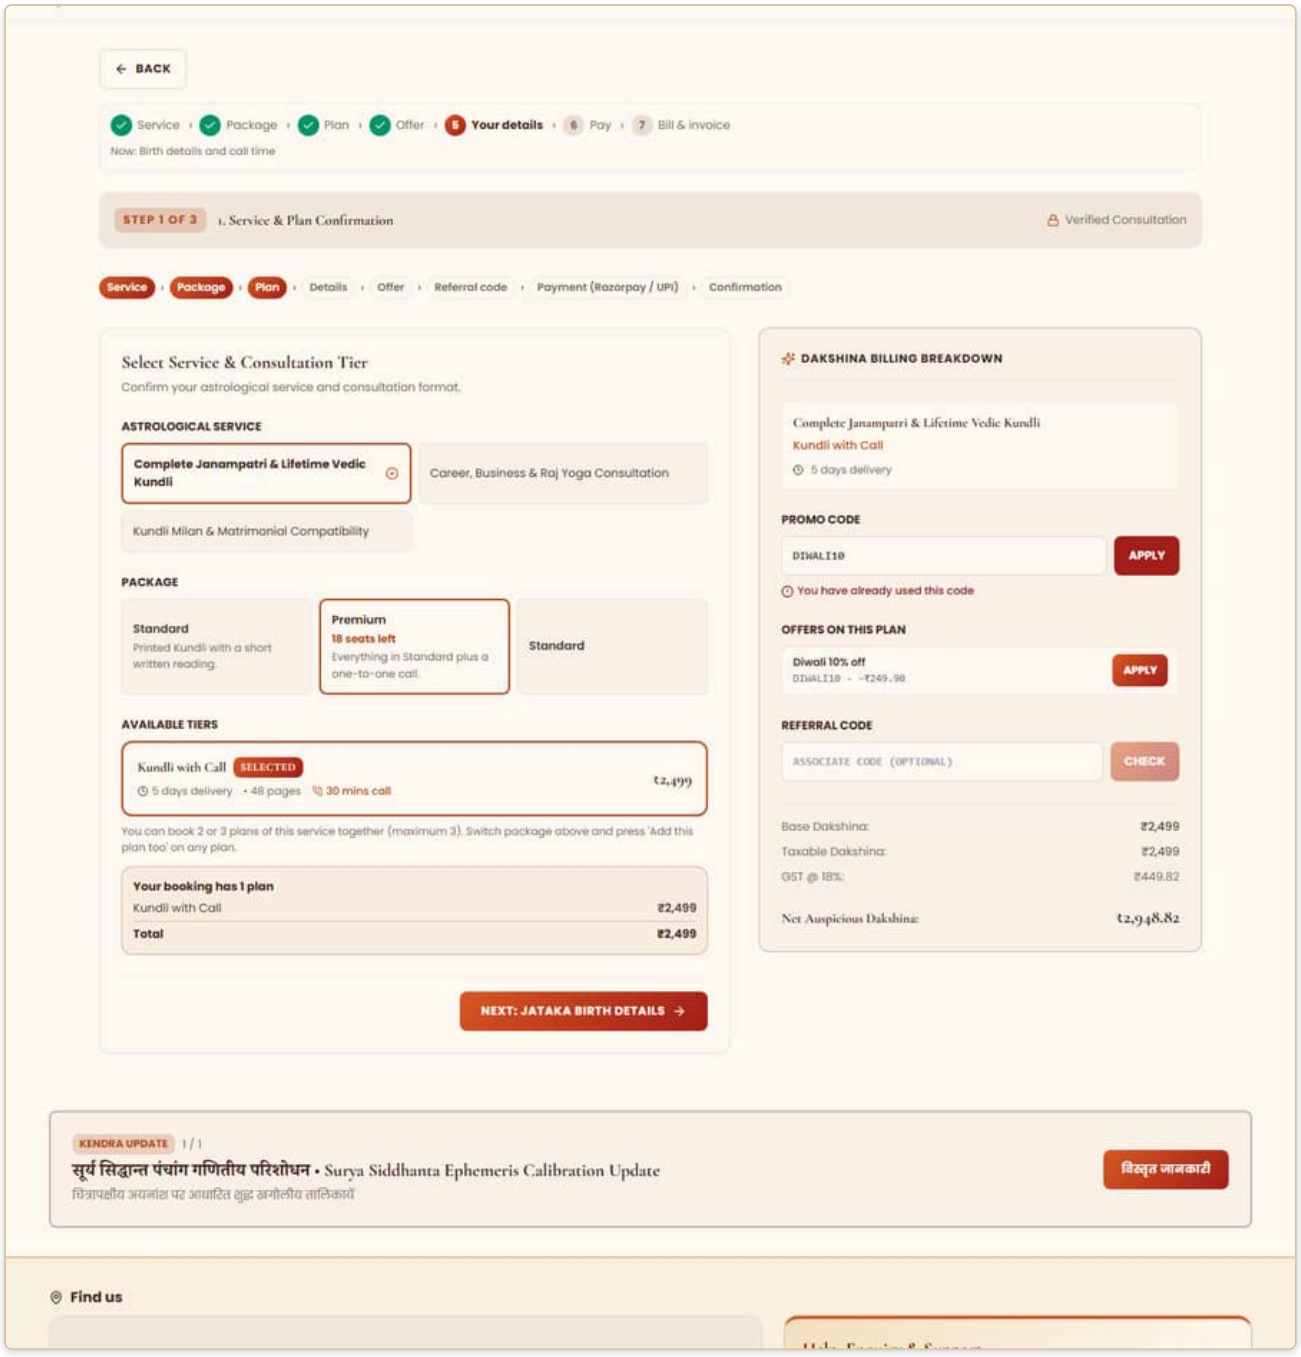

At the top of the booking pages a strip shows seven stages: **Service › Package › Plan › Offer › Your details › Pay › Bill & invoice**. Completed stages are ticked, the current one is highlighted and a short line says what to do now. Under the box titled STEP 1, 2 or 3 OF 3 there is a second line that repeats the stages. The **BACK** button at the top left goes one step back.

5.2 Step 1 of 3: Service and plan

1. Under **ASTROLOGICAL SERVICE** press the service you want. If you came from a service page it is already chosen.
2. Under **PACKAGE** press Standard, Premium or the package you want. The note beside it says how many seats are left, if limited.
3. Under **AVAILABLE TIERS** choose the plan. Each shows its delivery time, page count, call time and price. The chosen plan says **SELECTED**.
4. You may book two or three plans of the same service in one order (at most three). Switch the package above and press **Add this plan too** on another plan. A box lists the plans in your booking.
5. If you have a code, type it in **PROMO CODE** and press **APPLY**. The discount line appears at once. Press the cross next to the code to remove it.
6. If a friend of the Kendra (an associate) gave you a code, type it in **REFERRAL CODE** and press **CHECK**. A green line confirms it. This does not change your price.
7. Press **NEXT: JATAKA BIRTH DETAILS**.

Step 1 of 3: choose service, package and plan.

A promo code applied. The billing box on the right shows the discount.

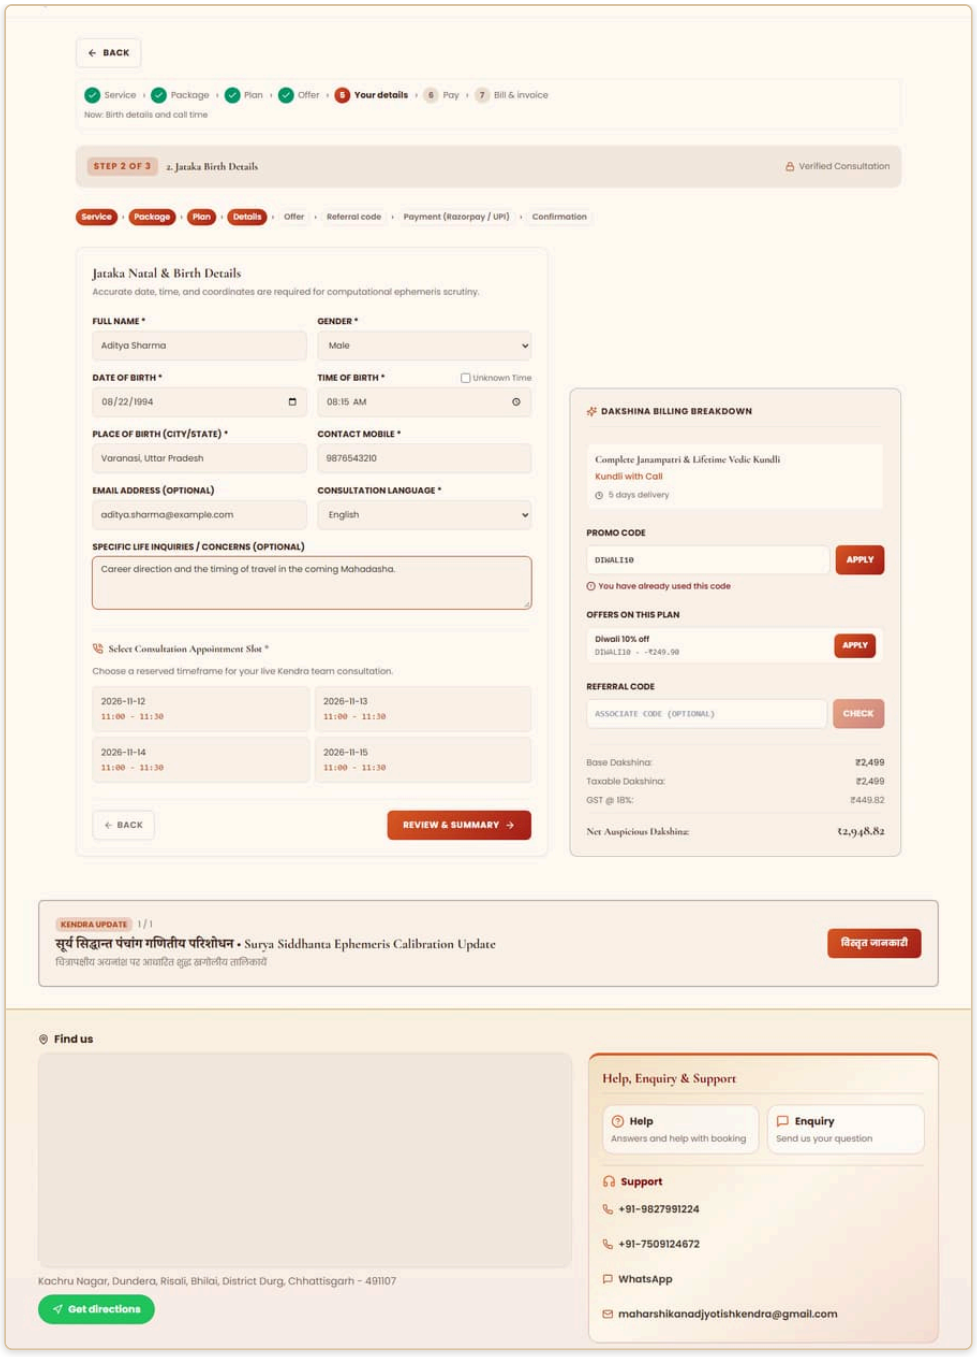

5.3 The Dakshina billing breakdown

The box on the right of every booking step is your bill before you pay: **Base Dakshina**, **Offer Discount**, **Taxable Dakshina**, **GST @ 18%** and the **Net Auspicious Dakshina**, which is the amount you pay. It changes as you add plans or a code.

5.4 Step 2 of 3: Jataka birth details

FULL NAME *	Your name as you want it on the Kundli.
GENDER *	Male, Female or Other.
DATE OF BIRTH *	Choose the date from the calendar.

Step 2 of 3: the birth details form with a slot chosen.

Press **REVIEW & SUMMARY** to continue, or **BACK** to change the plan.

5.5 Step 3 of 3: Review

Order Summary & Review shows everything you entered under **Jataka Particulars**. Check each line. **Edit** or **EDIT DETAILS** returns to the form. When it is correct press **CONFIRM & CREATE ORDER**. The button shows the amount. This creates your order and takes you to payment.

The review page.

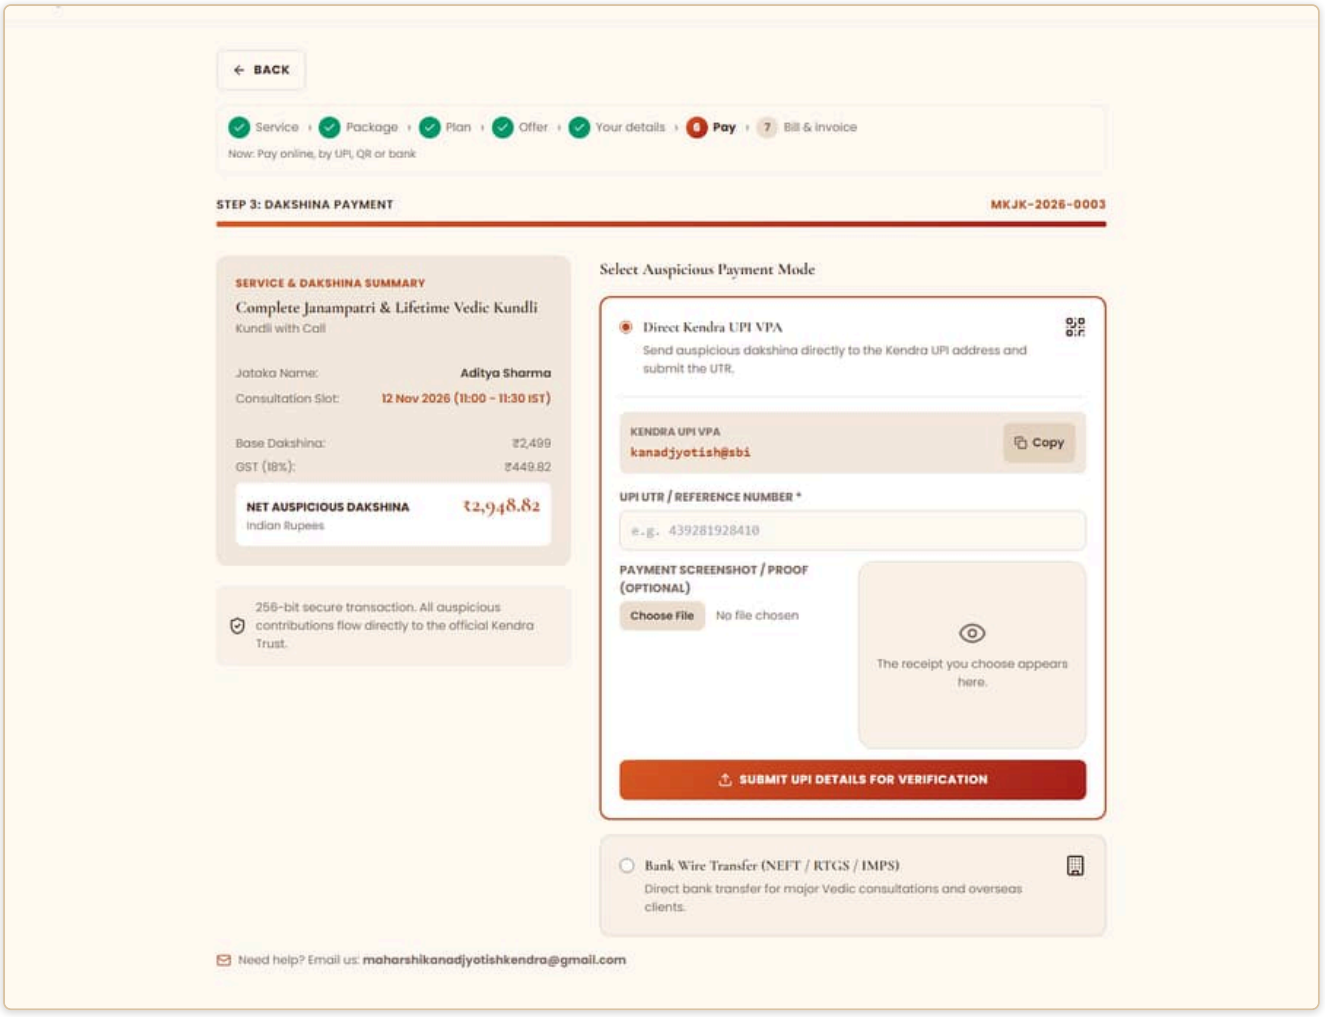

> **Caution:** Check the date, time and place of birth carefully. Changing them later needs a Support ticket.

6 Paying for your order

Choose how to pay, and what happens after you pay.

6.1 The payment page

After **CONFIRM & CREATE ORDER** you reach **STEP 3: DAKSHINA PAYMENT**. The order number (for example MKJK-2026-0001) is at the top right. On the left, **SERVICE & DAKSHINA SUMMARY** repeats your service, plan, name, slot and the full bill. On the right, **Select Auspicious Payment Mode** lists the ways to pay that the Kendra has turned on.

6.2 Pay by UPI

2. Press **Copy** to copy the UPI ID. Pay the exact amount from any UPI app.
3. Type the transaction reference in **UPI UTR / REFERENCE NUMBER** *. This is the 12-digit number your UPI app shows after the payment.
4. Optionally press **Choose File** and add a screenshot of the payment in **PAYMENT SCREENSHOT / PROOF (OPTIONAL)**. A preview appears beside it.
5. Press **SUBMIT UPI DETAILS FOR VERIFICATION**.

> **Note:** A UPI or bank payment is checked by the Kendra's team. Until then the order shows as waiting. You are told when it is confirmed. You do not need to pay again.

6.3 Pay by bank transfer

Choose **Bank Wire Transfer (NEFT / RTGS / IMPS)**. The Kendra's bank details are shown. Send the amount and enter the bank's reference number, with a screenshot if you have one, exactly as for UPI. This is useful for large amounts and for customers abroad.

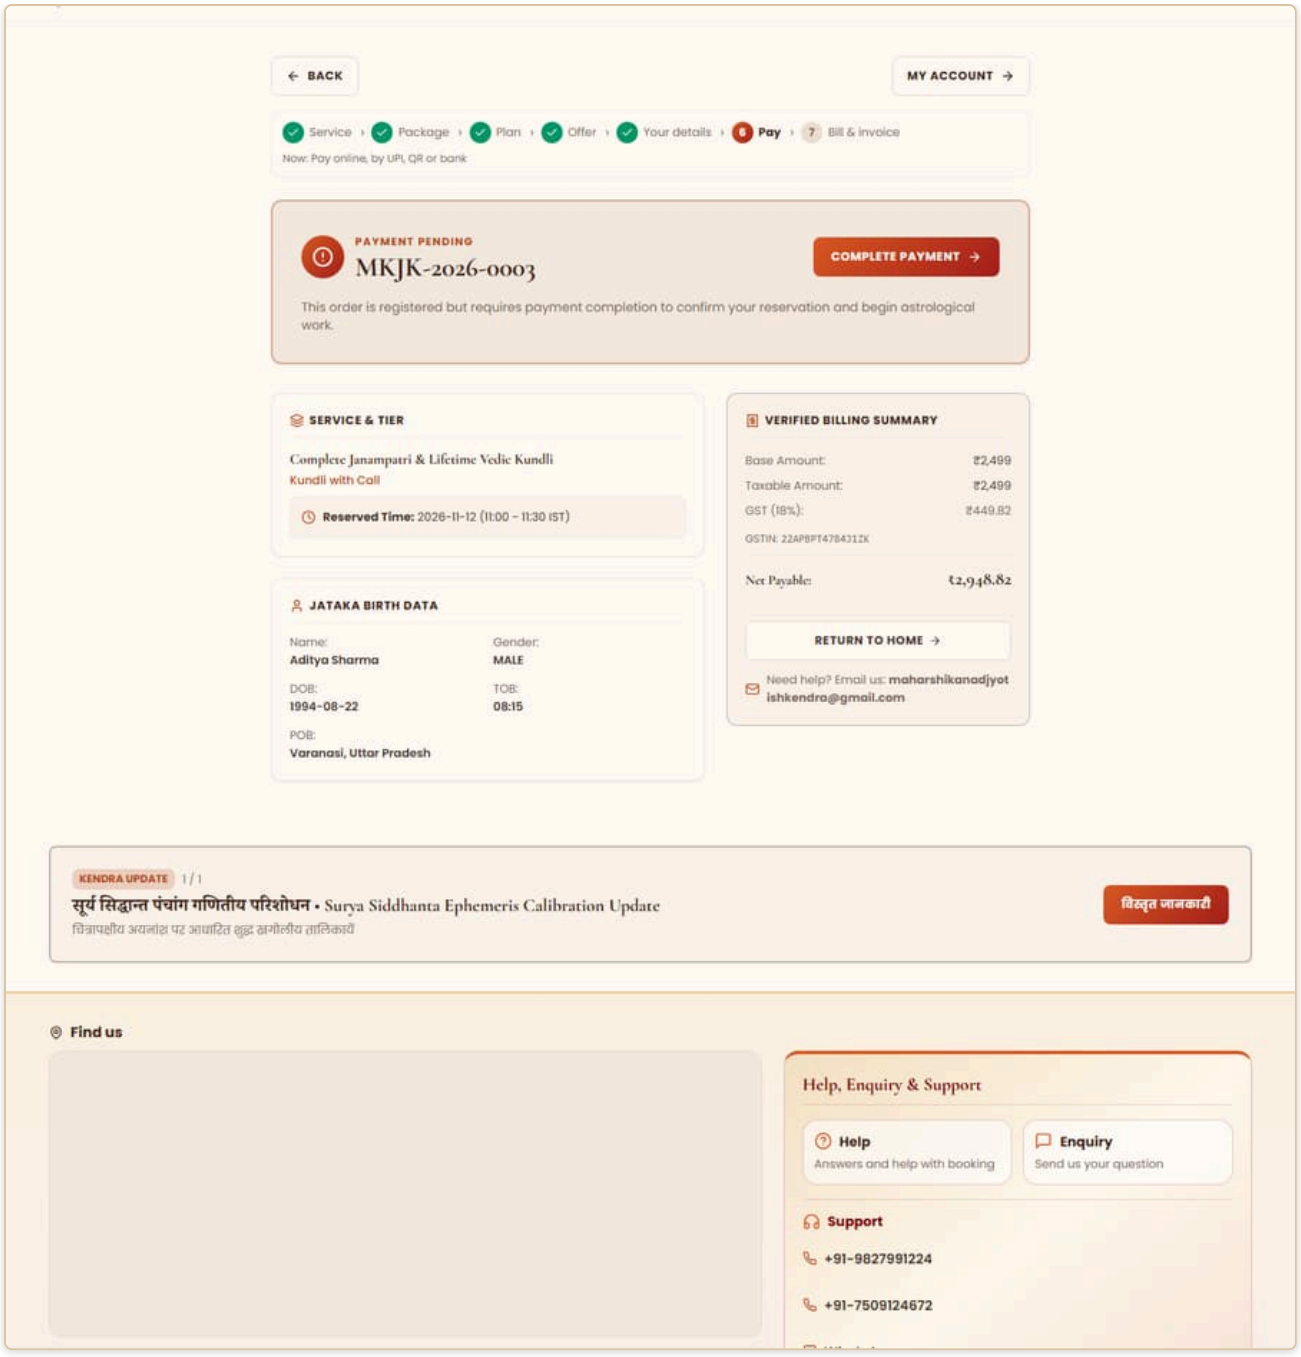

6.4 Pay online

When the Kendra has online payment turned on there is one more choice at the top: pay by card, UPI app, net banking or wallet through the secure Razorpay page. You return to the site automatically and the order is confirmed at once.

> **Caution:** If money was deducted but the page says the booking failed, do not pay again. Raise a Support ticket with the order number (chapter 8).

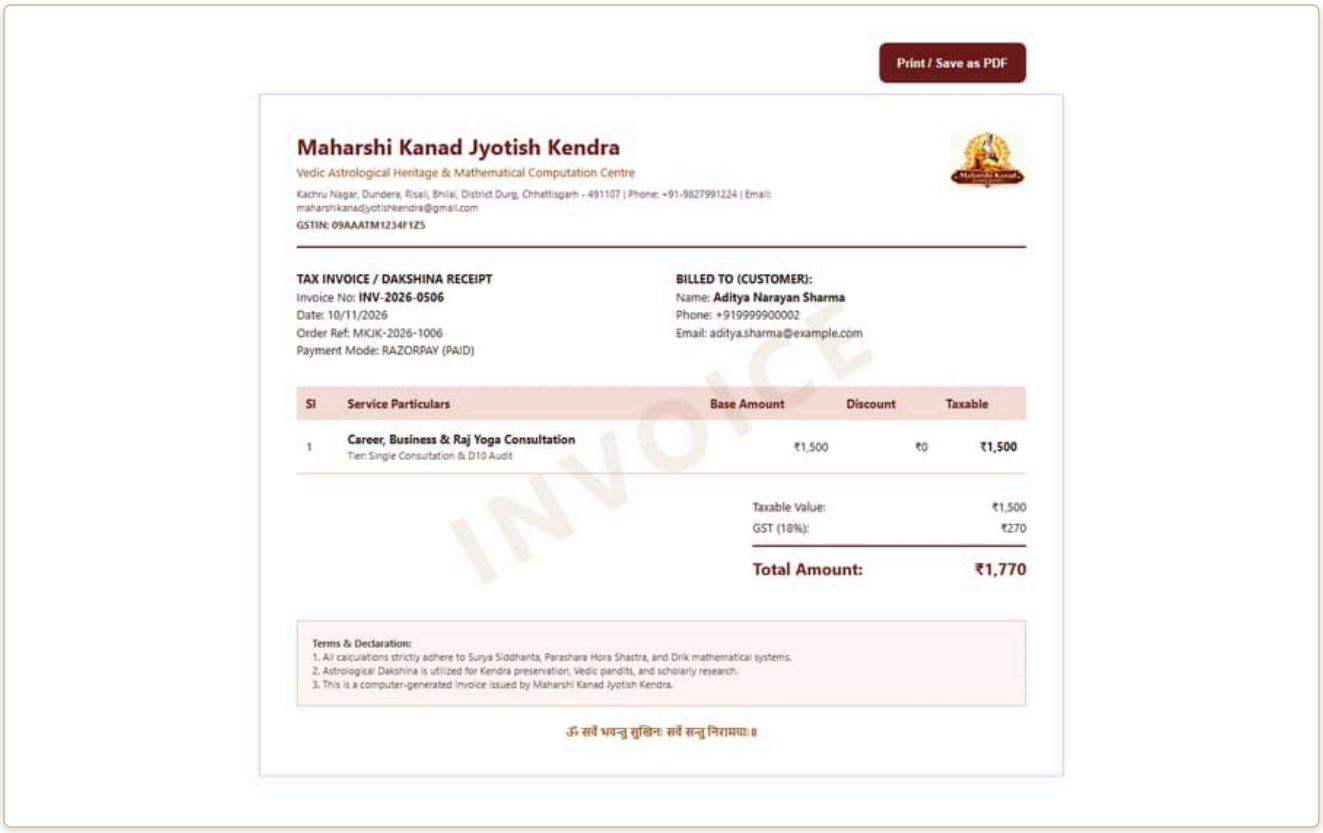

6.5 After payment: your confirmation

The **ORDER CONFIRMED & AUSPICIOUS** page shows the order number, **Payment Status: PAID**, the service and plan, your **JATAKA BIRTH DATA**, and the **VERIFIED BILLING SUMMARY** (base amount, taxable amount, GST and net payable). Three buttons follow: **DOWNLOAD GST INVOICE (PDF)**, the confirmation ticket and **MY ACCOUNT**.

The order confirmation page.

The **Booking Confirmation Ticket** is a one-page proof of booking with a **What happens next** note. The **Tax Invoice / Dakshina Receipt** shows the invoice number, the GST details and the amount. Both have a **Print / Save as PDF** button.

Ticked stages are done; the highlighted one is current.

- **View Booking Receipt**, **Invoice (PDF)**, **Confirmation Ticket**, **Invoice (HTML)** and **Print Invoice** on every paid order.

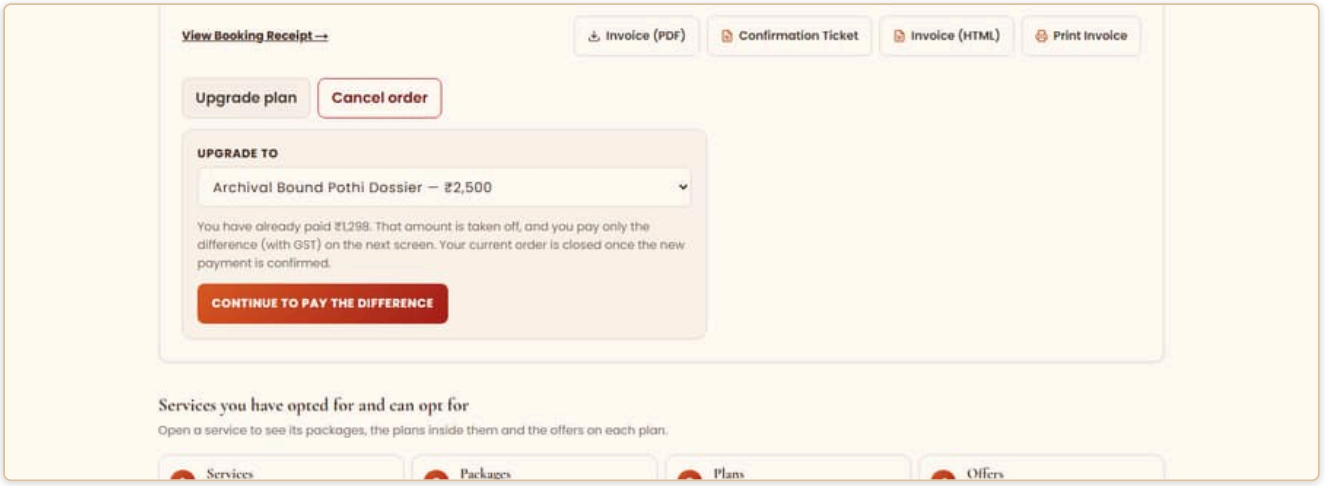

7.3 Upgrade plan and Cancel order

An order whose payment is still due says **PAYMENT PENDING**; its **Pay Dakshina** button takes you back to the payment page. If the plan includes a call, the card also has an **Appointment** line with the time you chose and a note such as **Awaiting approval** until the Kendra approves the slot. An order whose work has not started shows two more buttons:

- **Upgrade plan**: choose a better plan in **UPGRADE TO** and press **CONTINUE TO PAY THE DIFFERENCE**. Only the extra amount is paid. The old payment is counted.
- **Cancel order**: cancels the order before work starts. Refunds follow the **Cancellation, refund & plan upgrade** policy on the service page.
